

Dear Leaders,

As the 2025 State Election draws near, we urge you to consider taking on a leadership role within the Women's Council of REALTORS® California. We are currently accepting applications for District Vice President, State Treasurer, State First Vice President, State President Elect, and State Liaison positions. The deadline for submitting your application is midnight on March 1st, 2024, without exceptions.

To apply, please ensure you have completed and signed the application form, along with the Consent to Serve and a letter of good standing from your association. Application forms can be found on wcrca.org under the "Leadership Identification and Development" tab. Note that if you are applying for multiple positions, a separate application must be submitted for each.

We have vacancies for 10 District Vice Presidents, one State Treasurer, one State First Vice President, one State President Elect, and one State Liaison. Successful candidates will be expected to attend the State Leadership Training Meeting scheduled for August 20-22, 2024, and the Leadership Road Show from September 9th-13th, 2024. Attendance at these events is mandatory, so please plan accordingly.

It is crucial for our leadership team to come together to steer California forward. There will be no interviews; instead, each candidate will have the opportunity to provide a two-minute video. Elections will take place at the Spring Meeting, and campaigning may begin once candidates have been credentialed and received confirmation from the Candidate Review Team Chair.

Network assignments for District Vice Presidents will be provided at the State Leadership Training Meeting in August. We appreciate your willingness to step up and lead at the state level, and we encourage everyone to continue their journey with Women's Council California.

If you have any questions, please reach out to the 2024 Candidate Review Team Chair, Sabrina Brown, at Sabrina@pinkkeyrealestate.com with the subject line "2025 Candidate Application." Dates are subject to change at the discretion of the 2024 President-Elect. Application Forms are available at wcrca.org.

Thank you for considering a leadership role with Women's Council of REALTORS
California.

Sincerely,
